

ITA					
Name: Mahyar Surname: Salavati		Ph.D. Physiotherapy			
Title/Degree: Professor		Department of : Physiotherapy			
Research Interests: • Reliability and Validity of Clinical, Laboratory and Functional Measures • Postural and Motor Control Deficits in Neuromusculoskeletal Disorders and Geriatric Population • Sensory, Motor and Cognitive Contributions to Normal and Abnormal Postural Control • Functional Outcome Measures in Iranian Subjects with Various Disabilities • Exercise Progression Based on Motor Control Findings in Subjects with Disabilities • Myofascial Therapy

Education					
Date	Degree	Duration	Institution	Country/City	Major
1986-1990	BSc	4 years	Iran University of Medical Sciences	IRAN/Tehran	Physiotherapy
1992-1994	MSc	2.5 years	Iran University of Medical Sciences	IRAN/Tehran	Physiotherapy
1996-2002	PhD	5.5 years	Tarbiat Modarres University	IRAN/Tehran	Physiotherapy

Faculty member				
Year	Position	Duration	Institution/Course	Location
1995-2002	Lecturer	7 years	Physiotherapy Department, University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2002-2007	Assistant Professor	5 years	Physiotherapy Department, University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2007-2011	Associate Professor	4.5 years	Physiotherapy Department, University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2011-present	Full Professor	To be continued	Physiotherapy Department, University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
Language Ability				
- Persian - English				
Teaching Experience				
Kinesiology/Biomechanics and Pathokinesiology/Pathomechanics				
Exercise Therapy (Basics and Clinical Applications – Functional Approach)				
Motor Control (Motor Behavior Emphasis)				
Research Methodology in Medical and Rehabilitation Sciences				
Evidence Based Physiotherapy				
Symposia/Programs/Workshops				
Year	Position	Duration	Institution/Course	Location
1995	Participant	One Day (August 10)	Workshop on "Teaching Methodology and Evaluation", University of Social Welfare and Rehabilitation Sciences,	Tehran, IRAN
1995	Participant	3 Days (October 21-23)	Workshop on "Rehabilitation Basics", University of Social Welfare and Rehabilitation Sciences,	Tehran, IRAN
1996	Instructor	One Day (May 14)	Workshop on "Muscle Energy Techniques", Semnan University of Medical Sciences	Semnan, IRAN
1997	Participant	6 Days (July 5-10)	Course on "Research Methodology", University of Social Welfare and Rehabilitation Sciences,	Tehran, IRAN
1997	Participant	6 Days (August 9-14)	Professional training course on "Manual Therapy", Iranian Physiotherapy Association,	Tehran, IRAN

1998	Instructor	3 Days (February 3-5)	Course on "Modern Physiotherapy in Sports Injuries", Sports Medicine Federation,	Tehran, IRAN
1998	Instructor	3 Days (March 3-5)	Course on "Modern Physiotherapy in Sports Injuries", Sports Medicine Federation,	Tehran, IRAN
1999	Instructor	5 Days (March 13-17)	Workshop on "Research Methodology", Faculty of Rehabilitation, Iran University of Medical Sciences,	Tehran, IRAN
1999	Instructor	3 Days (May 30-June 1)	Scientific workshop on "Physiotherapy", Faculty of Rehabilitation, Tabriz University of Medical Sciences,	Tabriz, IRAN
2001	Instructor	4 Days (January 2-5)	Training Course on "Principles of Exercise Therapy and Physical Fitness", Ahwaz Jundishapour University of Medical Sciences	Ahwaz, IRAN
2003	Participant	3 Days (October 26-28)	Workshop on "Neurorehabilitation", University Social Welfare and Rehabilitation Sciences,	Tehran, IRAN
2004	Instructor	5 Days (March 13-17)	Training Course on "Research Methodology in Rehabilitation Sciences", Ahwaz Jundishapour University of Medical Sciences	Ahwaz, IRAN
2005	Instructor	3 Days (January 23-25)	Educational seminar on "Practical Physiotherapy Methods", Social Insurance Organization,	Shiraz, IRAN
2005	Participant	3 Days (February 15-17)	Workshop on "Qualitative Research Methods", University of Social Welfare and Rehabilitation Sciences,	Tehran, IRAN
2005	Instructor	3 Days (May 24-26)	Workshop on "Research Proposal Preparation", University of Social Welfare and Rehabilitation Sciences,	Tehran, IRAN
2005	Participant	One Day (September 1)	Workshop on "Spinal Cord Injury Rehabilitation", University of Social Welfare and Rehabilitation Sciences,	Tehran, IRAN
2005	Participant	2 Days (September 11-12)	Workshop on "Article Writing", University of Social Welfare and Rehabilitation Sciences,	Tehran, IRAN
2005	Participant	One Day (September 13)	Workshop on "Poster Preparation", University of Social Welfare and Rehabilitation Sciences,	Tehran, IRAN
2005	Participant	One Day (September 14)	Workshop on "CV Preparation", University of Social Welfare and Rehabilitation Sciences,	Tehran, IRAN

2005	Participant	One Day (December 21)	Workshop on "Academic Rank Promotion", University of Social Welfare and Rehabilitation Sciences,	Tehran, IRAN
2010	Participant	2 Days (July 13-14)	Workshop on "Principles of Pharmacology in Rehabilitation", Iranian Physiotherapy Association,	Tehran, IRAN
2010	Participant	2 Days (July 22-23)	Workshop on "Evidence Based Medicine", Iranian Physiotherapy Association,	Tehran, IRAN
2011	Participant	2 Days (February 8-9)	Workshop on "Knowledge Translation (KT)", University of Social Welfare and rehabilitation Sciences,	Tehran, IRAN
2012	Participant	2 Days (January 2-3)	Primary course on "Dry Needling in the Treatment of Myofascial Trigger Points", University of Social Welfare and Rehabilitation Sciences,	Tehran, IRAN
2012	Participant	One Day (February 14)	Training course on "Low Level Laser Therapy", THOR Photomedicine Ltd,	Istanbul, TURKEY
2013	Participant	One Day (December 3)	Workshop on "ISO-9001", Laleh Hospital,	Tehran, IRAN
2014	Participant	One Day (October 27)	Training course on "Accreditation Measures for Medical Centers", Laleh Hospital,	Tehran, IRAN
2015	Participant	One Year (Ongoing)	Research Fellowship Program, University of Social Welfare and Rehabilitation Sciences,	Tehran, IRAN
2015	Participant	2 Days (November 16-17)	Training workshop on "Dry Needling", Iran Physical Therapy Excellence Center,	Tehran, IRAN
2015	Participant	One Day (November 19)	Training course on "Kinesio-Taping Fundamentals (KT1)", Kinesio Taping Association International,	Tehran, IRAN
2015	Participant	One Day (November 19)	Training course on "Kinesio-Taping Advanced (KT2)", Kinesio Taping Association International,	Tehran, IRAN
2015	Participant	One Day (November 20)	Training workshop on "Advanced Dry Needling", Tarbiat Modares University,	Tehran, IRAN

Administrative Responsibilities			
Year	Position	Institution/Event	Location
1997-1998	Clinic Set up	"Specialized Physiotherapy Clinic of the Spine", Saba Polyclinic, University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
1997-1999	Committee Member	"Rehabilitation Committee", Sports Medicine Federation	Tehran, IRAN
1998-1999	Committee Member	"Physical/motor Disorders Committee", Human Resource Estimation Project for Rehabilitation Services, the Ministry of Health and Medical Education	Tehran, IRAN
2000-2006	Assistant Director	"Physiotherapy Department", University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2001-2002	Laboratory Set up	"Biomechanics Laboratory", Physiotherapy Department, University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2003-2004	Committee Member	"Committee for Preparation of Research Guide for PhD Candidates", Postgraduate Office, University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2004-2009	Formal Advisor	one Group of PhD Students, University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2005-2007	Director	"Focal Point Research Group for Outcome-Based Rehabilitation", University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2005-2007	Committee Member	"Focal Point Research Group for Neurological Disorders", University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2005-2007	Manager	"Postgraduate Office", University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2005-2007	Board Member	"Research Review Board", University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2006-2007	Committee Member	"Technical Committee", Postgraduate Office, University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2000-2002	Committee Member	"Research Committee", Department of Technical Orthopedics, University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN

2007-2011	Formal Advisor	one Group of BSc Students, University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2011-2012	Committee Member	PhD by Research Course and Curriculum Development Committee, Pediatric Neurorehabilitation Research Center, University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2011-2015	Committee Member	"Educational Committee", University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2012-2013	Committee Member	BSc and MSc of Physiotherapy Curriculum Major Revision Committee, the Ministry of Health and Medical Education	Tehran, IRAN
2012-2014	Committee Member	"Treatment and Rehabilitation Policy making Committee", University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2002-present	Board Member	"Physiotherapy Exam Adminstrating Board", the Ministry of Health and Medical Education	Tehran, IRAN
2005-present	PhD Comprehensive Exam Reviewer	Departments of Physiotherapy, Occupational Therapy, Speech Therapy, University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2007-present	Committee Member	"Scientific Committee", Fitness and Sports Medicine Research Center, Baghiyatallah University of Medical Sciences	Tehran, IRAN
2007-present	PhD Comprehensive Exam Reviewer	Department of Physiotherapy, Iran University of Medical Sciences	Tehran, IRAN
2008-present	Committee Member	"Research Committee", Physiotherapy Department, University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2008-present	Committee Member	"Biomechanics Committee", Physiotherapy Research Center, Shahid-Beheshty University of Medical Sciences	Tehran, IRAN
2009-present	Committee Member	Member of the "Auditing Committee for Academic Rank Promotion", University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2009-present	Committee Member	"Clinical Medicine Subgroup" of "Auditing Committee for Academic Rank Promotion", University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2011-present	Part-Time Faculty	"Pediatric Neurological Rehabilitation Research Center", University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2014-present	Part-Time Faculty	"Iranian Research Center of Aging (IRCA)", University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2014-present	Board Member	"Cancer Research, Training and Prevention Institute"	Tehran, IRAN

2015-present	Council Member	"High Council of the University", University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
2015-present	Consultant	"Deputy of research and technology", University of Social Welfare and Rehabilitation Sciences	Tehran, IRAN
Academic and Scientific Responsibilities			
Year	Responsibility		
1997	Member of Scientific Committee, <i>the 8th Iranian Annual Physiotherapy Congress</i> , Iranian Physiotherapy Association, Tehran, Iran		
1998	Member of Scientific Committee, <i>the 1st Biomechanics Congress of Iran</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran		
1998	Scientific Chairman, <i>the 9th Iranian Annual Physiotherapy Congress</i> , Iranian Physiotherapy Association, Tehran, Iran		
1998	Member of Scientific Committee, <i>the 9th Iranian Annual Physiotherapy Congress</i> , Iranian Physiotherapy Association, Tehran, Iran		
1998	Member of Scientific Committee, <i>the 2nd Congress of Iranian Physiotherapy Students</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran		
2002	Member of Scientific Committee, <i>the 13th Iranian Annual Physiotherapy Congress</i> , Iranian Physiotherapy Association, Tehran, Iran		
2003	Member of Scientific Committee, <i>the 8th Razi National Research Festival on Medical Sciences</i> , National Foundation of Experts, Tehran, Iran		
2003	Member of Scientific Committee, <i>the 3rd Scientific Annual Meeting of the Iranian Pain Society</i> , Iranian Branch of IASP, Tehran, Iran		
2003	Member of Scientific Committee, <i>the 14th Iranian Annual Physiotherapy Congress</i> , Iranian Physiotherapy Association, Tehran, Iran		
2003	Member of Scientific Committee, <i>the 2nd National Seminar of Physiotherapy Students</i> , Iranian Physiotherapy Association, Tehran, Iran		
2003	Member of Scientific Committee, <i>the 1st Seminar on Biomechanics and Motion Analysis of Human Movements</i> , Tehran University of Medical Sciences, Tehran, Iran		
2003	Member of Scientific Committee, <i>the 4th National Specific Spinal Physiotherapy</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran		
2003	Member of Scientific Committee, <i>the 9th Razi National Research Festival on Medical Sciences</i> , National Foundation of Experts, Tehran, Iran		
2004	Member of Scientific Committee, <i>the 3rd National Seminar of Physiotherapy Students</i> , Iranian Physiotherapy Association, Tehran, Iran		
2004	Member of Scientific Committee, <i>the 5th National Specific Spinal Physiotherapy</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran		
2005	Member of Scientific Committee, <i>the 16th Iranian Annual Physiotherapy Congress</i> , Iranian Physiotherapy Association, Tehran, Iran		
2005	Member of Scientific Committee, <i>the 11th Razi National Research Festival on Medical Sciences</i> , National Foundation of Experts, Tehran, Iran		

2005	Member of Scientific Committee, <i>the 6th National Specific Spinal Physiotherapy</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran
2006	Member of Scientific Committee, <i>the 2nd Congress of Geriatric Studies</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran
2006	Member of Scientific Committee, <i>the 6th Scientific Annual Meeting of Iranian Pain Society</i> , Iranian Branch of IASP, Tehran, Iran
2006	Member of Scientific Committee, <i>the 17th Iranian Annual Physiotherapy Congress</i> , Iranian Physiotherapy Association, Tehran, Iran
2006	Member of Scientific Committee, <i>the 7th National Specific Spinal Physiotherapy</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran
2007	Member of Scientific Committee, <i>the 13th Iranian Conference on Biomedical Engineering</i> , Sharif Industrial University, Tehran, Iran
2007	Member of Scientific Committee, <i>the 8th National Specific Spinal Physiotherapy</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran
2008	Member of Scientific Committee, <i>the 3rd Congress of Aging Issues in the Iran and other Countries</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran
2008	Member of Scientific Committee, <i>the 8th Orthotics and prosthetics Congress of Iran</i> , Iranian Orthotics and Prosthetics Association, Tehran, Iran
2008	Member of Scientific Committee, <i>the 9th National Specific Spinal Physiotherapy</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran
2009	Member of Scientific Committee, <i>the 10th National Specific Spinal Physiotherapy</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran
2010	Member of Scientific Committee, <i>the 11th National Specific Spinal Physiotherapy</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran
2011	Member of Scientific Committee, <i>the 22nd Iranian Annual Physiotherapy Congress</i> , Iranian Physiotherapy Association, Tehran, Iran
2011	Local Coordinator, <i>Kinesiophobia Seminar</i> , Iranian Branch of IASP, Tehran, Iran
2011	Member of Scientific Committee, <i>the 12th National Specific Spinal Physiotherapy</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran
2012	Member of Scientific Committee, <i>the 1st Seminar on Electro Physical Agents (EPAs) Therapy in Iran</i> , Iranian Physiotherapy Association, Tehran, Iran
2012	Member of Scientific Committee, <i>the 13th National Specific Spinal Physiotherapy</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran
2013	Member of Scientific Committee, <i>the 14th National and the 1st International Seminar on Specific Spinal Physiotherapy</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran
2014	Member of Scientific Committee, <i>the 25th Iranian Annual Physiotherapy Congress</i> , Iranian Physiotherapy Association, Tehran, Iran
2014	Member of Scientific Committee, <i>the 1st National Seminar on Rehabilitation Management</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran
2014	Member of Scientific Committee, <i>the 15th National Specific Spinal Physiotherapy</i> , University of Social Welfare and Rehabilitation Sciences, Tehran, Iran

2015	Member of Scientific Committee, <i>Seminar on Cancer and Prevention, Cancer Research, Training and Prevention Institute, Tehran Iran</i>		
2015	Member of Scientific Committee, <i>the 26th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association, Tehran, Iran</i>		
Scientific Membership			
Year	Association, Society		Location
1993-present	Iranian Physiotherapy Association (IPA)		Tehran, IRAN
2002-present	Medical Council of I.R. Iran		Tehran, IRAN
2009-present	International Association for the Study of Pain (IASP)		Tehran, IRAN
Publications			
1. Journals			
Year	Journal name	Article title	Vol. (Iss.): Page
Articles in English			
2001	Journal of Spinal Disorders	Effects of lifestyle and work-related physical activity on the degree of lumbar lordosis and chronic low back pain in a middle-east population.	14 (4): 283-92
2005	European Journal of Ultrasound	B-Mode ultrasound imaging to investigate right-left symmetry of abdominal muscles in normal male and female subjects.	26: S103
2005	Medical Journal of I.R.I	Clinical trunk muscle endurance tests in subjects with and without low back pain.	19 (2): 95-101
2006	Journal of Back and Musculoskeletal Rehabilitation	The relationship between pelvic cross syndrome and chronic low back pain.	19 (4): 119-28
2006	Middle-East Journal of Age and Aging	The discriminative value of two functional assessment scales compared for predicting falls in institutionalized elderly people in Iran.	3 (2): 4-8
2006	APLAR Journal of Rheumatology	Muscle endurance in patients with impingement syndrome and healthy subjects.	9 (S1): A102
2007	Journal of Bodywork and Movement Therapeutics	Reliability of B-mode ultrasonography for abdominal muscles in asymptomatic and patients with acute low back pain.	11 (1): 17-20
2007	Physical Therapy in Sport	A 4-week Biodex stability exercise program improved ankle musculature onset, peak latency and balance measures in functionally unstable ankles.	8 (3): 117-29

2007	Journal of Photochemistry and Photobiology B.	The therapeutic effects of low-level laser on repair of osteochondral defects in rabbit knee.	88 (1): 11-5
2007	Clinical Rehabilitation	Sensitivity, specificity and predictive value of the clinical trunk muscle endurance tests in low back pain.	21 (7): 640-7
2007	Gait and Posture	Changes in postural stability with fatigue of lower extremity frontal and sagittal plane movers.	26 (2): 214-8
2007	Medical Journal of I.R.I	Ankle musculature latency measurement to varying angles of sudden external oblique perturbation in normal and functionally unstable ankles.	22 (4): 166-74
2008	Osteoarthritis and Cartilage	Validation of a Persian-version of Knee injury and Osteoarthritis Outcome Score (KOOS) in Iranians with knee injuries.	16 (10): 1178-82
2008	Journal of Applied Sciences	Reliability of center of pressure measures of postural stability in patients with unilateral anterior cruciate ligament injury.	8 (17): 3019-25
2008	Acta Medica Iranica	2008). The effect of patellar taping on knee joint proprioception in patients with patellofemoral pain syndrome.	46 (3): 183-90
2009	Gait and Posture	Test-retest reliability of center of pressure measures of postural stability during quiet standing in a group with musculoskeletal disorders consisting of low back pain, anterior cruciate ligament injury and functional ankle instability.	29 (3): 460-4
2009	Journal of Applied Sciences	Effect of acute and chronic aerobic training on plasma GH isoforms concentration in pubertal and prepubertal male athletes.	9 (13): 2469-74
2009	Spine	Effect of dual-tasking on postural control in subjects with nonspecific low back pain.	34 (13): 1415-21
2009	Gait and Posture	Effect of dual tasking on postural control in subjects with unilateral anterior cruciate ligament injury.	30 (4): 477-81
2009	Journal of Back and Musculoskeletal Rehabilitation	Reliability of quality measures of movement in lumbar spine flexion-extension radiography.	22 (3): 149-56
2009	J. Nutrit. Health Aging	Cross-cultural adaptation, reliability and validity of the Persian version of the modified Falls Efficacy Scale.	13 (S1): S621
2010	Clinical Rheumatology	Reliability and validity of the Foot and Ankle Outcome Score: a validation study from Iran.	29 (5): 479-86
2010	Gait and Posture	Postural sway in low back pain: effects of dual tasks.	31(1): 116-21

2010	Biomedical Engineering ABC	Test-retest reliability of postural stability measures during quiet standing in patients with a history of non-specific low back pain.	22 (3): 255-62
2010	Gait and Posture	Non-linear dynamical features of center of pressure extracted by recurrence quantification analysis in people with unilateral anterior cruciate ligament injury.	31 (4): 450-5
2010	Medical Engineering and Physics	Reliability of recurrence quantification analysis measures of center of pressure during standing in individuals with musculoskeletal disorders.	32 (7): 808-12
2010	Journal of Orthopedic and Sports Physical Therapy	Attentional demands and postural control in athletes with and without functional ankle instability.	40 (3): 180-7
2010	Osteoarthritis and Cartilage	Reliability and validity of the Persian version of Foot and Ankle Ability Measure (FAAM) to measure functional limitations in patients with foot and ankle disorders.	18 (6): 755-9
2010	Iranian Rehabilitation Journal	The comparison of the role of vision on static postural stability in athletes and non-athletes.	8 (11): 50-3
2011	Quality of Life Research	The Persian version of Locomotor Capabilities Index: translation, reliability and validity in individuals with lower limb amputation.	20 (1): 1-7
2011	Osteoarthritis and Cartilage	Knee injury and Osteoarthritis Outcome Score (KOOS); reliability and validity in competitive athletes after anterior cruciate ligament reconstruction.	19 (4): 406-10
2011	Gait and Posture	Reliability of center of pressure measures of postural stability in healthy older adults: effects of postural task difficulty and cognitive load.	33 (4): 651-5
2011	Disability and Rehabilitation	The Persian version of Trinity Amputation and Prosthetics Experience Scale (TAPES): translation, factor structure, reliability and validity.	33 (19-20): 1737-45
2011	Gait and Posture	The effects of cognitive loading on balance control in patients with multiple sclerosis.	34 (4): 479-84
2011	Journal of Sport Rehabilitation	Reliability of force platform measures of postural sway and expertise-related differences.	20 (4): 442-56
2011	Disability and Rehabilitation	Cross-cultural adaptation, reliability and validity of the Persian version of the modified Falls Efficacy Scale.	33 (25-26): 2446-53
2011	Disability and Rehabilitation	Reliability and validity of the Tegner and Marx activity rating scales in Iranian patients with anterior cruciate ligament injury.	33 (23-24): 2305-10

2011	Annals of Biological Research	Comparative effects of aerobic training and whole body vibration on plasma adiponectin and insulin resistance in type 2 diabetic men.	2 (5): 671-80
2011	Asian Journal of Sports Medicine	Effects of aerobic exercise and whole body vibration on glycaemia control in type 2 diabetic males.	2 (2): 83-90
2012	Knee Surgery Sports Traumatology Arthroscopy	Static and dynamic postural control in competitive athletes after anterior cruciate ligament reconstruction and controls.	20 (8): 1603-10
2012	European Journal of Applied Physiology	The interaction between the location of lower extremity muscle fatigue and visual condition on unipedal postural stability.	112 (10): 3495-502
2012	Disability and Rehabilitation	The Persian version of the Berg Balance Scale: Inter and intra-rater reliability and construct validity in elderly adults.	34 (20): 1695-8
2012	Archives of Gerontology and Geriatrics	Physical activity and physical functioning in Sweden and Iranian 75-year-olds: a comparison.	55 (2): 422-30
2012	Physiotherapy Research International	The validity of vertebral translation and rotation in differentiating patients with lumbar segmental instability.	17 (4): 227-34
2012	Disability and Rehabilitation	Persian translation and validation of the Kujala Patellofemoral Scale in Patients with patellofemoral pain syndrome.	34 (26): 2259-63
2012	International Journal of Sports Physical Therapy	Intra and intersession reliability of a postural control protocol in athletes with and without anterior cruciate ligament reconstruction: a dual task paradigm.	7 (6): 627-36
2013	Journal of Manipulative and Physiological Therapeutics	Intra and intersession reliability of postural control in subjects with and without non-specific low back pain using the Biodex Balance System.	36 (2): 111-8
2013	Physiotherapy Theory and Practice	Validation of the Persian Version of Functional Index Questionnaire (FIQ) and Modified FIQ in Patients with Patellofemoral Pain Syndrome.	29 (7): 521-30
2013	HealthMED Journal	Investigation of proprioception in subjects with patellofemoral pain syndrome using the sense of force accuracy.	7 (2): 657-65
2013	Journal of Bone and Joint Surgery (American)	Comparison of functional outcome measures of anterior cruciate ligament reconstruction using either patellar tendon or hamstring tendon grafts and controls in competitive soccer players: a randomized trial.	95 (14): 1271-7

2013	Archives of Gerontology and Geriatrics	Cross-cultural validation of the Falls Efficacy Scale International using self-report and interview-based questionnaires among Persian-speaking elderly adults.	57 (3): 339-44
2013	Journal of Musculoskeletal Pain	Proprioception in subjects with patellofemoral pain syndrome: using the sense of force accuracy.	21 (4): 341-9
2013	Physical Treatments	Internal evaluation of Physiotherapy Department of University of Social Welfare and Rehabilitation Sciences.	2 (2-4): 75-80
2014	Archives of Gerontology and Geriatrics	Walking habits and health-related factors in 75-year old Iranian women and men.	58 (3): 320-6
2014	Journal of Voice	Long-term average spectra of adult Iranian speakers' voice.	28 (3): 305-10
2014	Journal of Voice	Fundamental frequency changes of Persian speakers across the life span.	28 (3): 274-81
2014	Journal of Manipulative and Physiological Therapeutics	Effect of dual-tasking on dynamic postural control in individuals with and without nonspecific low back pain.	37 (3): 170-9
2014	Journal of Chiropractic Medicine	The use of dry needling and myofascial meridians in a case of plantar fasciitis.	13 (1): 43-8
2014	Journal of Biomechanics	Intra-limb coordination while walking is affected by cognitive load and walking speed.	47 (10): 2300-5
2014	Journal of Voice	Intrarater and interrater reliability of sagittal head posture: A novel technique performed by a physiotherapist and a speech and language pathologist.	28 (6): 842e11-842e16
2014	European Geriatric Medicine	Effects of cognitive load and gait speed on inter-segmental coordination during walking in young people and older adults with and without a history of falling.	5(S1): S170
2014	Iranian Rehabilitation Journal	Balance recovery reactions in recurrent nonspecific low back pain patients.	12 (19): 38-41
2014	Iranian Rehabilitation Journal	Gender differences in intra limb coordination while walking in older people.	12 (21): 6-11
2015	Clinical Rheumatology	Reliability, validity and responsiveness of the Persian version of the Rheumatoid and Arthritis Outcome Score (RAOS) in patients with rheumatoid arthritis.	34 (1): 35-42
2015	Physiotherapy Canada	Intra- and inter-session reliability of static and dynamic postural control in participants with and without patellofemoral pain syndrome.	67(3): 248-53

2015	Ultrasound in Medicine and Biology	Application of ultrasonography in the assessment of skeletal muscles in children with and without neuromuscular disorders: a systematic review.	41(9): 2275-83
2015	Gait and Posture	Recovery reaction in individuals with nonspecific low back pain: interactive effects of attention and postural challenge	42 (S1): S30
2015	European Journal of Neurology	Translation and validation of the COOP/WOMCA functional health status charts in Farsi-speaking Iranians with multiple sclerosis.	22 (S1): 708
2015	Physical Treatments	Effect of dual-tasking on variability of spatiotemporal parameters in subjects with and without anterior cruciate ligament deficiency using linear dynamics.	4 (4): 213-20
2015	Physical Treatments	Association of ultrasonography findings with pain, range of motion, disability and pressure pain threshold in subjects with upper trapezius myofascial pain syndrome.	4 (4): 221-7
2015	Knee Surgery Sports Traumatology Arthroscopy	Reliability of dynamic balance simultaneously with cognitive performance in patients with ACL deficiency and after ACL reconstructions and in healthy controls.	23(11): 3178-85
2015	Journal of Back and Musculoskeletal Rehabilitation	Construct validity of center of rotation in differentiating of lumbar segmental instability patients.	In press
2015	Journal of Bodywork and Movement Therapeutics	Effect of stabilization exercise on dynamic postural control and visual dependency in subjects with chronic nonspecific low back pain.	In press
Articles in Persian			
2000	Journal of Kashan University of Medical Sciences	Comparative study of forward walking and running with backward walking and running on lower limb function.	4 (14): 1-10
2000	Journal of Gorgan University of Medical Sciences	Comparative study of two kinds of exercise on the functional performance tests of lower limbs.	2 (6): 14-27
2001	Journal of Iran University of Medical Sciences	The Effects of infrared low power laser on sensory and motor electromyographic parameters of median nerve.	7 (22): 262-6
2002	Journal of Iran University of Medical Sciences	Comparison of the effects of forward and backward running techniques on the functional performances of lower extremity.	9 (29): 161-72
2003	Journal of Zahedan University of Medical Sciences	Evaluation of the effect of load on pattern of motion in stoop and squat lifting.	4 (2): 71-80

2003	Journal of Iran University of Medical Sciences	Comparative study of Biodex dynamic balance and limits of stability tests in normal subjects and patients with chronic low back pain.	9 (32): 699-708
2003	Journal of Iran University of Medical Sciences	Effects of active spinal stabilization exercise on lumbar muscle performance in sagittal plane in healthy subjects.	10 (34): 263-76
2003	Journal of Rehabilitation	Influence of marker movement errors on measuring 3 dimensional scapular position and orientation.	4 (14,15): 53-9
2003	Journal of Rehabilitation	The effects of mental practice on balance in elderly.	4 (14,15): 34-9
2003	Journal of Rehabilitation	Prediction of risk of falling among institutionalized elderly people in Iran.	4 (13): 45-52
2004	Journal of Iran University of Medical Sciences	Comparison of forward and backward running on the static balance.	10 (37): 686-91
2004	Journal of Iran University of Medical Sciences	The effect of patellar taping on knee joint proprioception in PFPS and healthy subjects.	11 (40): 194-7
2004	Iranian Journal of Orthopedic Surgeons	Evaluation of shoulder proprioception in patients with shoulder impingement syndrome (SIS).	3 (1): 42-7
2004	Journal of Rehabilitation	Reliability of ankle musculature latency, peak and time of activation measurements to sudden external frontal perturbation.	5 (3): 7-13
2004	Kowsar Medical Journal	Relative effects of mechanical factors on low back pain.	9 (1): 67-76
2004	Journal of Rehabilitation	Specificity and discriminant validity of the clinical trunk muscle endurance tests in subjects with and without low back pain.	5 (4): 28-34
2005	Journal of Rafsanjan University of Medical Sciences	Comparison between heat and cold on basic excitatory responses in healthy subjects.	4 (4-A): 248-55
2005	Journal of Rehabilitation	Comparative criteria study of dynamic balancing in patients with patellofemoral pain.	6 (3): 33-7
2005	Ofogh-e-Danesh	Comparison of cardiopulmonary responses during forward and backward running in healthy individuals.	11 (2): 31-6
2005	Iranian Journal of Orthopedic Surgeons	Positional parameters of shoulder complex in impingement in comparison with healthy individuals.	4 (2): 135-42

2006	Journal of Rehabilitation	Effects of stretching by PNF and harmonic techniques on hamstring flexibility.	6 (4): 14-9
2006	Iranian Journal of Medical Physics	The effect of low level laser therapy on the repair of osteochondral defects in rabbit knee.	2 (9): 81-8
2006	Journal of Rehabilitation	The effects of counterforce brace size on the wrist range of motion, pain, grip and wrist extension strength in normal subjects and patients with tennis elbow.	7 (1): 29-32
2006	Journal of Rehabilitation	Comparison of three-dimensional scapular position and orientation between subjects with and without shoulder impingement.	7 (1): 14-21
2006	Journal of Research in Rehabilitation Sciences	The comparison of scapular alignment in different degrees of dominant shoulder abduction in sport and non-sport women.	2 (2): 15-22
2006	Journal of Rehabilitation	Effect of balance board exercises on balance tests and limits of stability by Biodex Balance System in normal men.	7 (2): 19-25
2007	Journal of Rehabilitation	Biomechanical evaluation of spontaneity repair of osteochondral defects in rabbit knee.	7 (4): 25-9
2007	Journal of Iran University of Medical Sciences	Reliability of timing of muscle activity measurements of ankle musculature in reaction to various angles of sudden external oblique perturbation.	13 (53): 22-31
2007	Journal of Rehabilitation	Explicit learning of a perceptual-motor skill after stroke by using affected hand.	8 (2): 24-30
2007	Journal of Guilan University of Medical Sciences	Evaluation of differentiate variables in patients with first-episode acute low back pain of healthy subjects.	16 (63): 43-50
2007	Journal of Rehabilitation	Comparison of ankle taping effect on postural stability between females with functional ankle instability and healthy individuals.	8 (2): 17-23
2007	Journal of Rehabilitation	Clinical examinations and radiographic variables reliability for evaluation of lumbar segmental instability.	8 (2): 6-12
2007	Journal of Rehabilitation	Comparison of static force sense of knee extension between women with patellofemoral pain syndrome and healthy women.	8 (3): 66-70
2007	Journal of Rehabilitation	Endurance tests ability to predict chronicity in first episode acute low back pain patients.	8 (3): 6-14
2008	Journal of Babol University of Medical Sciences	Comparison between Dupius and Panjabi methods in calculating translation and rotation of lumbar vertebrae in flexion and extension radiography.	10 (3-44): 15-24

2008	Journal of Kerman University of Medical Sciences	Implicit motor learning after unilateral stroke using serial reaction time task.	15 (3): 207-16
2008	Journal of Rehabilitation	Effect of corrective exercises on chest expansion in kyphotic females.	9 (1): 33-6
2008	Journal of Rehabilitation	Effect of symmetry improvement in weight bearing on postural stability of hemiparetic patients.	9 (2): 41-7
2009	Journal of Rehabilitation	Comparison of erector spine muscles activity pattern in lowering between subjects with and without history of low back pain.	10 (2): 16-20
2010	Journal of Gorgan University of Medical Sciences	A comparative study on isometric muscles strength of shoulder complex between persons with and without impingement syndrome.	12 (2): 26-32
2010	Journal of Ilam University of Medical Sciences	Effects of training style on neuromuscular adaptation in untrained men.	18 (1): 40-47
2010	Journal of Rehabilitation	Psychometric properties of Iranian version of Tampa Scale for Kinesiophobia in low back pain patients.	11 (1-41): 15-22

Research Paper Presented in Conferences / Seminars			
Year	Conference/Seminar	Paper title	Location
1994	(Main Presenter) The 5 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The effects of local cold on monosynaptic muscle reflexes in healthy subjects.	Tehran, IRAN
1997	(Main Presenter) The 1 st Gulf Medical Rehabilitation Congress, Kuwait Rehabilitation Hospital	The effects of hydrocortisone iontophoresis in patients with knee osteoarthritis.	Kuwait, KUWAIT
1997	(Main Presenter) The 8 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The comparative effects of local heat and cold on hand grip strength in healthy subjects.	Tehran, IRAN

1998	<i>(Main Presenter)</i> The 1 st Biomechanics Congress of Iran	Kinetic chain concept: theoretical and practical issues.	Tehran, IRAN
1999	<i>(Co-Presenter)</i> The 10 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The distribution of lumbar lordosis in subjects with and without low back pain.	Tehran, IRAN
2000	<i>(Co-Presenter)</i> The 11 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Effects of physiotherapy on lumbar movement pattern in subjects with and without LBP.	Tehran, IRAN
2000	<i>(Co-Presenter)</i> The 11 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The relationship of work position, work load and regular physical activities on lumbar lordosis and Low Back Pain.	Tehran, IRAN
2000	<i>(Co-Presenter)</i> The 11 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Comparative effects of forward and backward walking and running on functional measures in normal subjects.	Tehran, IRAN
2000	<i>(Co-Presenter)</i> The 11 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Data analysis of CBR project in Iran.	Tehran, IRAN
2001	<i>(Co-Presenter)</i> Sport Rehabilitation Seminar, Tehran University of Medical Sciences	Rehabilitation of spinal injuries in sports.	Tehran, IRAN
2001	<i>(Co-Presenter)</i> The 12 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Effects of mental practice on motor coordination of the upper extremity in hemiplegic patients.	Tehran, IRAN
2001	<i>(Co-Presenter)</i> The 12 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Effects of forward and backward running on functional tests of lower extremities.	Tehran, IRAN
2002	<i>(Guest Speaker)</i> Multidisciplinary Seminar on Mechanical Low Back Pain	Active segmental spinal stabilization exercises in the treatment of mechanical low back pain.	Tabriz, IRAN
2002	<i>(Co-Presenter)</i> The 13 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Effects of active spinal stabilization exercises on lumbar muscle performance in sagittal plane in healthy subjects.	Tehran, IRAN
2002	<i>(Co-Presenter)</i> The 13 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The relative effects of different mechanical factors on low back pain incidence.	Tehran, IRAN
2002	<i>(Co-Presenter)</i> The 13 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Comparative effects of three types of exercise on the lower extremity functional tests in normal subjects.	Tehran, IRAN

2003	<i>(Guest Speaker)</i> The 2 nd National Seminar of Physiotherapy Students	Nature, mechanisms and consequences of motor control deficits in chronic low back pain patients.	Tehran, IRAN
2003	<i>(Co-Presenter)</i> The 3 rd Annual Scientific Meeting of the Iranian Pain Society, Iranian Branch of IASP	The effect of patellar taping on the proprioception of knee in subjects with anterior knee pain syndrome.	Tehran, IRAN
2003	<i>(Co-Presenter)</i> The 14 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Clinical analysis of Pelvic crossed syndrome.	Tehran, IRAN
2003	<i>(Co-Presenter)</i> The 14 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The effects of static and dynamic functional training on functional balance tests in normal subjects.	Tehran, IRAN
2003	<i>(Co-Presenter)</i> The 14 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Effect of heel height on knee proprioception in normal young adults.	Tehran, IRAN
2003	<i>(Co-Presenter)</i> The 14 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The effect of patellar taping on the proprioception of knee in subjects with anterior knee pain syndrome.	Tehran, IRAN
2003	<i>(Co-Presenter)</i> The 2 nd National Seminar of Physiotherapy Students	Dynamic Postural stability in patients with anterior knee pain syndrome.	Tehran, IRAN
2003	<i>(Main Presenter)</i> The 1 st Seminar on Biomechanical Analysis of Human Movement, Tehran University of Medical Sciences	Directional postural instability in patients with chronic low back pain.	Tehran, IRAN
2003	<i>(Main Presenter)</i> The 1 st Seminar on Biomechanical Analysis of Human Movement, Tehran University of Medical Sciences	Visual dependency in patients with chronic low back pain.	Tehran, IRAN
2003	<i>(Main Presenter)</i> The 1 st Seminar on Biomechanical Analysis of Human Movement, Tehran University of Medical Sciences	Dominant hip strategy in patients with chronic low back pain.	Tehran, IRAN
2003	<i>(Main Presenter)</i> The 1 st Seminar on Biomechanical Analysis of Human Movement, Tehran University of Medical Sciences	Dyscoordination of posture and movement in patients with chronic low back pain.	Tehran, IRAN
2003	<i>(Co-Presenter)</i> The 1 st Seminar on Biomechanical Analysis of Human Movement, Tehran University of Medical Sciences	Reliability of clinical trunk muscle endurance and iso-inertial tests.	Tehran, IRAN

2003	<i>(Co-Presenter)</i> The 1 st Seminar on Biomechanical Analysis of Human Movement, Tehran University of Medical Sciences	The effect of patellofemoral pain on balance.	Tehran, IRAN
2003	<i>(Co-Presenter)</i> The 1 st Seminar on Biomechanical Analysis of Human Movement, Tehran University of Medical Sciences	Transfer of training effects from trained to untrained limb in normal subjects.	Tehran, IRAN
2003	<i>(Guest Speaker)</i> Monthly Seminars of Rasoul-e-Akram Hospital, Iran University of Medical Sciences	Stability and instability of the spine.	Tehran, IRAN
2004	<i>(Main Presenter)</i> The 5 th Interdisciplinary World Congress of Low Back and Pelvic Pain	Directional postural instability in patients with chronic low back pain.	Melbourne, AUSTRALIA
2004	<i>(Main Presenter)</i> The 5 th Interdisciplinary World Congress of Low Back and Pelvic Pain	Visual dependency in patients with chronic low back pain.	Melbourne, AUSTRALIA
2004	<i>(Main Presenter)</i> The 5 th Interdisciplinary World Congress of Low Back and Pelvic Pain	Dominant hip strategy in patients with chronic low back pain.	Melbourne, AUSTRALIA
2004	<i>(Main Presenter)</i> The 5 th Interdisciplinary World Congress of Low Back and Pelvic Pain	Dyscoordination of posture and movement in patients with chronic low back pain.	Melbourne, AUSTRALIA
2004	<i>(Co-Presenter)</i> The 1 st International Sport Sciences Congress of Caspian Region Universities, University of Guilan	A novel method for the assessment of deep trunk muscles.	Rasht, IRAN
2004	<i>(Guest Speaker)</i> The 1 st Congress of Head and Neck Disorders, Zahedan University of Medical Sciences	Stabilization exercises for cervical spine,	Zahedan, IRAN
2004	<i>(Co-Presenter)</i> The 3 rd National Seminar of Physiotherapy Students, USWR	Biostimulatory effects of low-power laser on tissue recovery rate and acute inflammation.	Tehran, IRAN
2004	<i>(Co-Presenter)</i> The 3 rd National Seminar of Physiotherapy Students, USWR	The effects of fatigue in frontal and sagittal hip movers on postural control in healthy men.	Tehran, IRAN
2004	<i>(Co-Presenter)</i> The 3 rd National Seminar of Physiotherapy Students, USWR	The static position of scapula at different angles of shoulder abduction.	Tehran, IRAN
2004	<i>(Co-Presenter)</i> The 5 th Seminar on Specific Physiotherapy of the Spine, USWR	Structural integration.	Tehran, IRAN
2005	<i>(Co-Presenter)</i> The 6 th National Convention on Physical Education and Sport Sciences, Sport Science Research Center, Ministry of Science, Research and Technology	Sonographic assessment of multifidus muscles in chronic low back pain.	Isfahan, IRAN

2005	<i>(Main Presenter)</i> The 1 st International Congress of Minimally Interventional Spinal Treatment, Iran University of Medical Sciences	Dominant hip strategy in patients with chronic low back pain.	Tehran, IRAN
2005	<i>(Main Presenter)</i> The 1 st International Congress of Minimally Interventional Spinal Treatment, Iran University of Medical Sciences	Directional postural instability in patients with chronic low back pain.	Tehran, IRAN
2005	<i>(Main Presenter)</i> The 1 st International Congress of Minimally Interventional Spinal Treatment, Iran University of Medical Sciences	Visual dependency in patients with chronic low back pain.	Tehran, IRAN
2005	<i>(Co-Presenter)</i> The 1 st International Congress of Minimally Interventional Spinal Treatment, Iran University of Medical Sciences	Reliability of B-mode ultrasonography for abdominal muscles in asymptomatic and symptomatic subjects.	Tehran, IRAN
2005	<i>(Co-Presenter)</i> The 1 st International Congress of Minimally Interventional Spinal Treatment, Iran University of Medical Sciences	Effects of stabilization exercise on lumbar muscle performance.	Tehran, IRAN
2005	<i>(Co-Presenter)</i> The 1 st International Congress of Minimally Interventional Spinal Treatment, Iran University of Medical Sciences	Manipulation treatment in HLD patients with sacroiliac joint dysfunction.	Tehran, IRAN
2005	<i>(Co-Presenter)</i> The 8 th Asian Federation of Sports Medicine Congress	The effects of fatigue in proximal and distal muscles of lower extremity on postural control.	Tokyo, JAPAN
2005	<i>(Co-Presenter)</i> The 16 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Sense of knee static extensory force in subjects with anterior knee pain syndrome.	Tehran, IRAN
2005	<i>(Co-Presenter)</i> The 16 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The effects of dominance on balance and proprioception.	Tehran, IRAN
2005	<i>(Co-Presenter)</i> The 16 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Dynamic postural stability indices in subjects with anterior knee pain.	Tehran, IRAN
2005	<i>(Co-Presenter)</i> The 16 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Reliability of B-mode ultrasonography for the assessment of abdominal muscles in subjects with and without low back pain.	Tehran, IRAN
2005	<i>(Co-Presenter)</i> The 16 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Side to side symmetry of abdominal muscles using B-mode ultrasonography in healthy men and women.	Tehran, IRAN

2005	<i>(Co-Presenter)</i> The 16 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The relationship between gait kinematics and ankle muscle strength, range of motion and proprioception in older men with and without type-2 diabetes.	Tehran, IRAN
2005	<i>(Co-Presenter)</i> The 5 th Motor Control Conference (MCC)	The specific effect of plane and segment of lower extremity muscle fatigue on dynamic postural control.	Sofia, BULGARIA
2005	<i>(Co-Presenter)</i> 17 th European Congress of ultrasound in Medicine and Biology	B-mode ultrasound imaging to investigate right-left symmetry of abdominal muscles in normal male and female subjects.	Geneva, SWITZERLAND
2005	<i>(Co-Presenter)</i> The 6 th Seminar on Specific Physiotherapy of the Spine	Pressure biofeedback assessment of the spine in patients with the first episode of low back pain.	Tehran, IRAN
2006	<i>(Co-Presenter)</i> The 17 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Assessment of acute low back pain patients in a search for predicting factors for the chronicity of signs and symptoms.	Tehran, IRAN
2006	<i>(Co-Presenter)</i> The 17 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Reliability and validity of a Persian version of Knee Injury and Osteoarthritis Outcome Score (KOOS) in Iranian patients with knee osteoarthritis.	Tehran, IRAN
2006	<i>(Co-Presenter)</i> The 12 th Asia Pacific League of Associations for Rheumatology (APLAR) Congress	Muscle endurance in patients with impingement syndrome and healthy subjects.	Kuala Lumpur, MALASIA
2006	<i>(Co-Presenter)</i> The 6 th Singapore Physiotherapy Association National Congress	Comparative evaluation of abdominal muscles in patients with first-episode acute low back pain and healthy subjects in different postures.	Singapore, SINGAPORE
2006	<i>(Co-Presenter)</i> The 3 rd International Ankle Symposium	A 4-week Biodex stability exercise program improved ankle musculature onset, peak latency and balance measures in functionally unstable ankles.	Dublin, IRELAND
2006	<i>(Co-Presenter)</i> The 7 th Seminar on Specific Physiotherapy of the Spine, University of Social Welfare and Rehabilitation Sciences	Fear avoidance in patients with first episode low back pain as a predictor for chronic pain and disability.	Tehran, IRAN

2006	<i>(Co-Presenter)</i> The 7 th Seminar on Specific Physiotherapy of the Spine, University of Social Welfare and Rehabilitation Sciences	Radiographic Kinematic indices by Panjabi and Dupius methods for the diagnosis of lumbar spinal segmental instability.	Tehran, IRAN
2006	<i>(Co-Presenter)</i> The 7 th Seminar on Specific Physiotherapy of the Spine, University of Social Welfare and Rehabilitation Sciences	Neck, shoulder and scapular posture in subjects with shoulder impingement syndrome.	Tehran, IRAN
2007	<i>(Co-Presenter)</i> The 8 th Seminar on Specific Physiotherapy of the Spine	The pathology and the treatment of acute and chronic low back pain: the behavior of "complex systems" approach.	Tehran, IRAN
2007	<i>(Co-Presenter)</i> The 8 th Seminar on Specific Physiotherapy of the Spine	The pattern of lumbopelvic muscle activity in response to an external Perturbation.	Tehran, IRAN
2007	<i>(Co-Presenter)</i> The 8 th Seminar on Specific Physiotherapy of the Spine	Measurement techniques for functional stability.	Tehran, IRAN
2008	<i>(Co-Presenter)</i> The 19 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Implicit and explicit learning of a conceptual motor skill after stroke.	Tehran, IRAN
2008	<i>(Co-Presenter)</i> The 19 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Kinematic features of normal lumbar spine during flexion-extension radiographs.	Tehran, IRAN
2008	<i>(Main Presenter)</i> The 5 th Asian-Pacific International Congress of Anatomists	Muscle compartmentalization: applied research and clinical aspects based on the Partitioning hypothesis.	Tehran, IRAN
2008	<i>(Co-Presenter)</i> The 5 th Asian-Pacific International Congress of Anatomists	Craniosacral therapy: comprehensive approach based on clinical structure-function relationship.	Tehran, IRAN
2008	<i>(Co-Presenter)</i> The 12 th World Congress of Pain, IASP	Validation of a Persian version of the Knee Injury and Osteoarthritis Outcome Score (KOOS) in Iranians with knee injuries.	Glasgow, UK
2008	<i>(Co-Presenter)</i> The 12 th World Congress of Pain, IASP	Trunk muscles responses to unexpected perturbations in chronic low back pain.	Glasgow, UK
2008	<i>(Co-Presenter)</i> The 8 th Scientific Orthotics and Prosthetics Congress of Iran	The effects of knee functional brace on passive movement detection threshold in acute anterior cruciate ligament tear.	Tehran, IRAN
2008	<i>(Co-Presenter)</i> The 9 th National Seminar in Specific Spinal Physical Therapy	Attentional demands of gait control in low back pain patients.	Tehran, IRAN
2008	<i>(Co-Presenter)</i> The 9 th National Seminar in Specific Spinal Physical Therapy	Validity of clinical examination in the diagnosis of spinal instability.	Tehran, IRAN

2009	<i>(Co-Presenter)</i> The 20 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Comparative effects of six complementary treatments on core stability.	Tehran, IRAN
2009	<i>(Co-Presenter)</i> The 20 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Effect of improving symmetry of weight bearing on postural responses of paretic side in hemiparetic patients after stroke.	Tehran, IRAN
2009	<i>(Co-Presenter)</i> The 20 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Postural stability and auditory short term memory tasks interference in patients with functional ankle instability.	Tehran, IRAN
2009	<i>(Co-Presenter)</i> The 20 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The effect of ankle taping on postural stability in female subjects with and without functional ankle instability.	Tehran, IRAN
2009	<i>(Co-Presenter)</i> The 19 th IAGG World Congress of Gerontology and Geriatrics	Cross-cultural adaptation, reliability and validity of the Persian version of the Modified Falls Efficacy Scale.	Paris, FRANCE
2009	<i>(Co-Presenter)</i> The 10 th International Seminar in Specific Spinal Physical Therapy	The fear of pain in chronic musculoskeletal syndromes.	Tehran, IRAN
2009	<i>(Co-Presenter)</i> The 10 th International Seminar in Specific Spinal Physical Therapy	The validity of clinical findings in discrimination of segmental Lumbar instability.	Tehran, IRAN
2010	<i>(Co-Presenter)</i> The 21 st Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The effects of cognitive loading on linear and nonlinear measures of postural sway in people with unilateral anterior cruciate ligament injury.	Tehran, IRAN
2010	<i>(Co-Presenter)</i> The 2 nd Congress of the International Foot and Ankle Biomechanics Community	Attentional demands of dynamic postural stability control in healthy subjects and patients with functional ankle instability.	Seattle, USA
2010	<i>(Co-Presenter)</i> The 7 th Interdisciplinary World Congress on Low back & Pelvic Pain	Concurrent validity of vertebral translation and rotation in differentiation of patients with signs and symptoms of lumbar segmental instability.	Los Angeles, USA
2010	<i>(Co-Presenter)</i> The 11 th National Seminar on Specific Spinal Physical Therapy	Spinal problems and breathing pattern disorders: biochemistry of respiration.	Tehran, IRAN
2010	<i>(Co-Presenter)</i> The 11 th National Seminar on Specific Spinal Physical Therapy	Muscle repositioning: A new approach based on neuromyofascial release.	Tehran, IRAN

2011	<i>(Co-Presenter)</i> The 22 nd Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Dynamic pattern of postural sway extracted by RQA in people with and without ACL Injury.	Tehran, IRAN
2011	<i>(Co-Presenter)</i> The 22 nd Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Discriminant validity of clinical and laboratory measures of single and dual task balance control in elderly people with and without a history of falling.	Tehran, IRAN
2011	<i>(Co-Presenter)</i> The 22 nd Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Reliability of center of pressure measures in ACL reconstruction surgery patients.	Tehran, IRAN
2011	<i>(Co-Presenter)</i> The 22 nd Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	A Persian version of FES in Iranian elderly people.	Tehran, IRAN
2011	<i>(Co-Presenter)</i> The 22 nd Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The effects of single vs. dual task balance training on postural control in elderly people.	Tehran, IRAN
2011	<i>(Co-Presenter)</i> The 12 th National Seminar on Specific Spinal Physical Therapy, USWR	Pandiculation: a physiologic method for normal function of myofascial system.	Tehran, IRAN
2011	<i>(Co-Presenter)</i> The 12 th National Seminar on Specific Spinal Physical Therapy, USWR	Attentional demands of dynamic postural control in subjects with and without chronic nonspecific low back pain.	Tehran, IRAN
2011	<i>(Co-Presenter)</i> The 12 th National Seminar on Specific Spinal Physical Therapy, USWR	Self-management instructions according to modern rehabilitation approaches.	Tehran, IRAN
2011	<i>(Co-Presenter)</i> The 12 th National Seminar on Specific Spinal Physical Therapy, USWR	Breathing and temporomandibular joint dysfunction.	Tehran, IRAN
2012	<i>(Co-Presenter)</i> The 23 rd Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The stiffness of hamstring and rectus femoris muscles in subjects with and without anterior knee pain syndrome.	Tehran, IRAN
2012	<i>(Co-Presenter)</i> The 23 rd Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The effects of land and water perturbed and unperturbed exercises on functional balance in elderly women.	Tehran, IRAN
2012	<i>(Co-Presenter)</i> The 1 st Seminar of Electro physical Agents (EPAs) Therapy in Iran, Iranian Physiotherapy Association	The efficacy of extracorporeal shock wave therapy.	Tehran, IRAN
2012	<i>(Co-Presenter)</i> The 13 th National Seminar on Specific Spinal Physical Therapy, University of Social Welfare and Rehabilitation Sciences	Paradigm shift in movement dysfunction.	Tehran, IRAN

2012	<i>(Co-Presenter)</i> The 13 th National Seminar on Specific Spinal Physical Therapy, University of Social Welfare and Rehabilitation Sciences	Musculoskeletal myth.	Tehran, IRAN
2012	<i>(Co-Presenter)</i> The 13 th National Seminar on Specific Spinal Physical Therapy, University of Social Welfare and Rehabilitation Sciences	The relationship between low back pain and neck pain: a Sonographic study.	Tehran, IRAN
2012	<i>(Co-Presenter)</i> The 13 th National Seminar on Specific Spinal Physical Therapy, University of Social Welfare and Rehabilitation Sciences	Movement system impairment-based classification: physical therapy diagnosis in low back pain.	Tehran, IRAN
2012	<i>(Co-Presenter)</i> The 13 th National Seminar on Specific Spinal Physical Therapy, University of Social Welfare and Rehabilitation Sciences	Disorders of neck muscles in subjects with chronic nonspecific neck pain.	Tehran, IRAN
2013	<i>(Co-Presenter)</i> The 14 th National and the 1 st International Seminar on Specific Spinal Physical Therapy, USWR	Dry needling and myofascial meridians: a case report of plantar fasciitis.	Tehran, IRAN
2013	<i>(Co-Presenter)</i> The 14 th National and the 1 st International Seminar on Specific Spinal Physical Therapy, USWR	Exercise therapy instructions to patients with myofascial disorders.	Tehran, IRAN
2013	<i>(Co-Presenter)</i> The 14 th National and the 1 st International Seminar on Specific Spinal Physical Therapy, USWR	Association between low back pain and neck pain.	Tehran, IRAN
2013	<i>(Co-Presenter)</i> The 14 th National and the 1 st International Seminar on Specific Spinal Physical Therapy, USWR	Transversus abdominis and quadriceps muscle size in subjects with chronic nonspecific low back pain using ultrasonography.	Tehran, IRAN
2013	<i>(Co-Presenter)</i> The 14 th National and the 1 st International Seminar on Specific Spinal Physical Therapy, USWR	Ultrasonography in the assessment of skeletal muscles in children: a systematic review of the literature.	Tehran, IRAN
2014	<i>(Co-Presenter)</i> The 12 th Speech Therapy Congress of Iran, Iranian Scientific Speech Therapy Association	Adaptation, reliability and validity of a Persian version of the inconsistency assessment of the Diagnostic Evaluation Articulation and Phonology.	Tehran, IRAN
2014	<i>(Co-Presenter)</i> The 12 th Speech Therapy Congress of Iran, Iranian Scientific Speech Therapy Association	Fundamental frequency changes of Persian speakers across the life span.	Tehran, IRAN
2014	<i>(Co-Presenter)</i> The 12 th Speech Therapy Congress of Iran, Iranian Scientific Speech Therapy Association	Intra and inter-rater reliability of sagittal head posture: a novel technique performed by a physiotherapist and a speech and language pathologist.	Tehran, IRAN

2014	<i>(Co-Presenter)</i> The 25 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Voluntary Response Index (VRI) during jump-land test in patients with complete tear of anterior cruciate ligament.	Tehran, IRAN
2014	<i>(Co-Presenter)</i> The 21 st International Congress of Neurology and Clinical Electro physiology of Iran	Transcranial magnetic stimulation: underlying mechanisms and clinical applications.	Tehran, IRAN
2014	<i>(Co-Presenter)</i> The 21 st International Congress of Neurology and Clinical Electro physiology of Iran	The effect of Transcranial magnetic stimulation (TMS) on brain laterality in normal subjects using Dichotic Listening (DL).	Tehran, IRAN
2014	<i>(Co-Presenter)</i> WFN RG ADCD Biennial Meeting, World Federation of Neurology Research Group on Aphasia, Dementia and Cognitive Disorders	Analysis of connected speech in Persian aphasic patients: determining the severity of aphasia.	Hong Kong
2014	<i>(Co-Presenter)</i> The 3 rd Seminar on Electrotherapy Updates, Iranian Physiotherapy Association	The debate about pain relief in electrotherapy.	Tehran, IRAN
2014	<i>(Co-Presenter)</i> The 15 th National Seminar on Specific Spinal Physical Therapy, University of Social Welfare and Rehabilitation Sciences	New insights to patterns of Dysfunction.	Tehran, IRAN
2014	<i>(Co-Presenter)</i> The 15 th National Seminar on Specific Spinal Physical Therapy, University of Social Welfare and Rehabilitation Sciences	Multifidus and quadriceps muscle size in chronic low back pain patients with and without anterior knee pain.	Tehran, IRAN
2015	<i>(Co-Presenter)</i> The 26 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Motor control in athletes with and without low back pain: a systematic review.	Tehran, IRAN
2015	<i>(Co-Presenter)</i> The 26 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The effects of cognitive load on spatiotemporal gait parameters in subjects with and without anterior cruciate ligament tear: a linear dynamics behavior approach.	Tehran, IRAN
2015	<i>(Co-Presenter)</i> The 26 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	The effects of whole body vibration on knee flexion and extension strength, static and dynamic balance tests and lower extremity function in subjects with patellar chondromalacia.	Tehran, IRAN
2015	<i>(Co-Presenter)</i> The 26 th Iranian Annual Physiotherapy Congress, Iranian Physiotherapy Association	Short and long term effects of knee taping on balance and proprioception after anterior cruciate ligament reconstruction surgery.	Tehran, IRAN

2015	The 24 th Annual Meeting of the European Society for Movement Analysis in Adults and Children (ESMAC)	Recovery reaction in individuals with nonspecific low back pain: interactive effects of attention and postural challenge	Heidelberg, GERMANY
2015	<i>(Main Presenter)</i> The 4 th Fascia Research Congress, Ida P. Rolf Research Foundation	Sonographic effects of trigger points and fascia dry needling in subjects with myofascial pain syndrome of the upper trapezius muscle.	Washington DC, USA
2015	<i>(Co-Presenter)</i> The 4 th Fascia Research Congress, Ida P. Rolf Research Foundation	Reliability of The upper trapezius muscle and fascia thickness and strain ratio measurements by ultrasonography imaging and sonoelastography in subjects with myofascial pain syndrome.	Washington DC, USA
2015	<i>(Co-Presenter)</i> The 4 th Fascia Research Congress, Ida P. Rolf Research Foundation	The use of dry needling and myofascial meridians in a case of plantar fasciitis.	Washington DC, USA
2015	<i>(Co-Presenter)</i> The 1 st Sport Physiotherapy Congress, Iranian Physiotherapy Association	Fascial Stretch Therapy	Tehran, IRAN
